Thanks to the *Toledo Business Journal* for helping us spread the good word about the Boys & Girls Clubs of Toledo. Ironic, isn't it, that a not-for-profit would get such great results from a publication that focuses on the successes of profitable businesses. We haven't been advertising with you for long, but already we're seeing positive measurable results.

Our commodity is hope and opportunity, and we are providing a lot of it to some 6,000 Club Kids in this our 115th year in the “kid business.” Thanks to the *TBJ*, the community is taking stock in our youth.

Sincerely,

Tom Waniewski
Director of Development
