

SUPPLIER RECRUITMENT PROGRAM

Plan to Participate

Program Overview

The Supplier Recruitment Program (SRP) for northwest Ohio and southeast Michigan enables area companies to improve their Profitability and Product Quality by assisting Suppliers to locate in close proximity.

The program is designed to have area purchasing professionals and other business professionals submit leads to economic development officials when they learn of a need by Suppliers, Customers, or others for new facilities. New Supplier facilities may be needed to produce new products, obtain additional capacity, incorporate new technology, etc.

Plan to Participate

I / We _____ agree to participate in the Supplier Recruitment Program through any or all of the following:

- Involve Purchasing Personnel and others in our organization with this program.
- Submit leads involving any possible need by Suppliers for new or expanded facilities.
- Display the New Jobs/Investment Wanted poster for others to see.
- Publish the New Jobs/Investment Wanted poster in newsletters, flyers, etc.
- Recruit others to this program.
